

Shivam Dubey

Electronics Engineering Student — VLSI Design & Technology

shivamkumardubey71@gmail.com — 9175704438 — LinkedIn

github.com/shivamdubey733

SKILLS

- **VLSI & IC Design:** Verilog, SystemVerilog, Cadence Virtuoso, CMOS Fundamentals, Digital Logic Design, Circuit Analysis
- **Electronics & Embedded:** Digital & Analog Electronics, Semiconductor Devices, Microprocessors & Microcontrollers (8051, Arduino), Assembly Language
- **Languages & Tools:** C, C++, Python, Git, GitHub, VS Code, KiCad
- **Soft Skills:** Leadership, Team Collaboration, Communication, Problem Solving

EDUCATION

B.E. Electronics Engineering — VLSI Design and Technology 2024–2028
Goa College of Engineering, Goa University **CGPA: 8.9**

Higher Secondary (XII) 2023–2024
Fr. Agnel Multipurpose Higher Secondary School **Score: 74%**

Secondary School (X) 2021–2022
Fr. Agnel Multipurpose High School **Score: 94%**

EXPERIENCE

Artificial Intelligence Intern — Lenovo 2025 (2 Months)
Hybrid

- Gained foundational knowledge of Artificial Intelligence and Machine Learning through structured learning and practical exercises.
- Explored basic ML concepts, algorithms, data handling, and real-world AI applications.
- Developed analytical and problem-solving skills through AI/ML-based assignments and activities.

PROJECTS

Footstep Energy Generation Using Piezoelectric Sensors *Piezoelectric Sensors, Embedded Systems*

- Developed a prototype to convert mechanical energy from footsteps into electrical energy using piezoelectric sensors.
- Explored energy storage and low-power applications for sustainable energy harvesting.

Third Eye Smart Navigation System *Arduino, Ultrasonic Sensors, Embedded Systems*

- Developed an obstacle-detection system using ultrasonic sensors for navigation assistance.
- Integrated buzzer and vibration alerts for real-time obstacle indication.

POSITION OF RESPONSIBILITY

IEEE Student Branch — Goa College of Engineering 2026–Present
Executive Webmaster

- Manage, maintain, and deploy the official IEEE GEC website.
- Contributed to the planning and execution of technical events and activities.
- Coordinated with team members to manage student-focused initiatives and technical programs.
- Worked on communication, event coordination, and organizational responsibilities.
- Collaborated with students and council members to improve participation in IEEE activities.
- Developed leadership, communication, teamwork, and event-management skills through active involvement.

ACHIEVEMENTS

[View](#)

- **1st Place — Shark Tank, RIT TechTwister** for startup idea presentation and pitching.
- **1st Place — Innovibe Project Expo, AITD** for presenting an innovative engineering solution.
- **2nd Place — Inceptions Ideathon, NIT Goa** for innovative problem-solving and idea presentation.
- **Winner — Lenovo Leap Hackathon** for innovation and technical problem-solving.
